

In the process of further expansion we are looking for a

IT Developer (m/f/d)

(19136)

Are you ready for a varied range of tasks?

- Development of advanced DWH and BI solutions with Jet Data Analytics and MS Power BI
- Analysis of requirements from the specialist areas (e.g. project controlling, Engineering, Procurement, etc.)
- Conception and implementation of complex data models and ETL routines
- Ensuring efficient and trouble-free DWH operation
- Assumption of responsibility for DWH and BI projects
- Support of the development team for database web applications with Oracle APEX

Then show us what makes you special

- study of computer science in the field of computer science, business informatics or engineering
- Extensive experience in the BI / Data Warehouse environment
- Good knowledge of SQL, preferably Oracle (incl. PL/SQL) and SQL-Server (T-SQL)
- Analytical thinking skills and solution-oriented working methods
- Basic knowledge of database modeling and business process management
- Experience in using the MS SQL-Server (incl. SSAS, SSIS, SSRS),
- Oracle Database Server and Oracle APEX would be desirable

With more than 50 years of experience as a general contractor for the oil & gas (upstream and downstream) and chemical industries, MMEC Mannesmann services cover the entire cycle from early project development, feasibility studies, including hydraulic and case studies, conceptual and basic design, front-end engineering design up to implementation of turn-key projects. We provide our services in respect of process plants for the oil, gas, refining, chemical and renewables industries. We combine technological know-how with the local requirements of your preferred project implementation scheme.

What we offer to you

- | | | |
|--------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------|
|  Diverse training opportunities |  Flexible working hours |  Perfect connection |
|  Company restaurant |  Diversity |  Company doctor |
|  Support with (Child)care |  Flat hierarchies |  Company sports |

Have we raised your interest?

Then we look forward to receiving your application by e-mail at karriere@mmecc-mannesmann.com.

Please send us your complete application documents (cover letter, curriculum vitae, certificates) and your salary expectation.

If you have any questions, please do not hesitate to contact Ina Riehn on 0211 659 2851.
