

In the process of further expansion we are looking for a

## Inhouse Construction Manager (m/f/d)

(19221)

Are you ready for varied range of tasks?

- Responsible for the overall processing of projects and proposals at the office
- Carrying tasks related to assembly preparation and supervision
- Planning, controlling and managing the construction processes of the different disciplines (e.g. solid construction, steel construction, piping)
- Ensuring compliance with the required safety and quality standards
- Completion of all construction preparation tasks at the office
- Working on offers
- Assuming all construction activities at the office and preparations for construction site
- Constructability considerations, etc

Then show us what makes you special

- Successfully completed degree in mechanical engineering, process engineering or civil engineering
- Several years of experience in construction as site manager or supervisor, preferably experience in commissioning
- Very good German and English knowledge
- Good knowledge of plant construction in the oil and gas sector
- Mobility and willingness for international and worldwide business visits

With more than 50 years of experience as a general contractor for the oil & gas (upstream and downstream) and chemical industries, MMEC Mannesmann services cover the entire cycle from early project development, feasibility studies, including hydraulic and case studies, conceptual and basic design, front-end engineering design up to implementation of turn-key projects. We provide our services in respect of process plants for the oil, gas, refining, chemical and renewables industries. We combine technological know-how with the local requirements of your preferred project implementation scheme.

What we offer to you

- |  |  |  |
|--|--|--|
|  Diverse training opportunities |  Flexible working hours |  Perfect connection |
|  Company restaurant             |  Diversity              |  Company doctor     |
|  Support with (Child)care       |  Flat hierarchies       |  Company sports     |

Have we raised your interest?

Then we look forward to receiving your application by e-mail at [karriere@mmecc-mannesmann.com](mailto:karriere@mmecc-mannesmann.com). Please send us your complete application documents (cover letter, curriculum vitae, certificates) and your salary expectation.

If you have any questions, please do not hesitate to contact Ina Riehn on 0211 659 2851.
